## ALMA MATER

*O, Pearl River College we're loyal to you,  
To our Alma Mater we're faithful and true.  
You stand on the hills with the tall swaying pines,  
The symbol of all honor you'll be through all time.  
You stand for the highest, and we will uphold  
Your standards and colors of Maroon and Gold,  
And where'er we wander from these halls so dear  
The clear call of our college we will always hear.*

ADVERTISEMENTS

For his unfailing endeavors in behalf of the students, for his unerring aptitude for doing that which is equitable and good, for his loyalty to ideals which have been the inspiration and have commanded the admiration of everyone, for his sincerity and his sympathy, we affectionately dedicate the first volume of *The Critique* to a gentleman and a friend, President R. E. L. Sutherland.

R. E. L. SUTHERLAND, B. S., M. A.

# DEDICATION

*President*

R. E. L. SUTHERLAND, B.S., M.A.

In the production of a college yearbook, there are certain factors that are more or less constant. These factors appear in the form of arousing student interest, in locating the creative talents necessary for a successful sponsor and staff, in the ever present problem of financing the enterprise, and in the commanding of hard labor and patience to fill in all the details till the task is finished. This Staff, however, was faced with the additional hurdle of overcoming the inertia of a lapse in the publishing of a yearbook during the depression years. In view of these conditions, the present staff is to be congratulated on its success in bringing out a book of such merit, and it is the wish of the Administration that this worthy tradition may continue its unbroken course throughout the years of a greater Pearl River College.

We wish to acknowledge grateful appreciation for the help of teachers, students, advertisers, and others, who have contributed to the success of this book. Without this assistance the annual would have been impossible, and without this book the current session would have suffered irreparable loss.

R. E. L. SUTHERLAND, *President*.

# FOOTBALL

ROBERT SIMMONS—"Bow-Dick," as the name suggests, was a "Bow-Dick" at the manly art of "hold that line!" Soph. leaving for greener pastures.

BILL STROBLE—"You're a sweet little head-ache," Strobie, Dear, but how you did play that flank patrol! Smashing end who may generate enough energy to show the conference biggies a thing or three this coming season.

ROY BURKETT—Snake-hipped halfback of the "Triple threat" variety (We won't mention the fourth threat, lassie). Freshman of whom great things are expected next year.

SAM BROWN—"Sammie," a versatile competitor, ready, willing, and able at either halfback or guard. Soph. who will be missed next year.

EMMITTE GARRIGA Garriga was a late comer, yet showed a lot of promise at the tackle slot. A give-and-take fighter who will be back again next year battling for P. R. C.

JOE WARREN—Joe Played a lot of "end" and is expected to play more of it in the next pigskin parade

LOUIS McKESSACK—"Bird-Dog" had that knack of smelling out plays, covering punts, and pulling the pigskin out of the ozone. Soph. who specializes in escorting "Queen Marie."

JOHN WHITE—John was one of the fine crop of guards. Can play tackle. Specialized in "digging in" to throw back enemy thrusts. Freshman who will be heard from next year.

VICTOR BROOM—"Vic," official ambassador of goodwill via the managerial method. Smiling debonair Soph who will leave an aching void.

HILLMAN HINDS—"Ditty-Wah," was a quarterback, Alabama grown, who showed plenty of promise. Good blocker and signal caller who figures in next year's plans.

G. A. WOLCOTT—"Woco," streamlined center, 1938 model, adhered to the famous slogan, "They shall not pass." Freshman who will do a lot of ball-snapping next year.

ORBAN MAGERS—"Half-Pint," halfback with quart-sized ideas. Specialized in crooning his way through the line and showed a fast, shifty pair of heels. Freshman who will deliver the touchdown mail next year.

# BASKETBALL

**J. C. HARRELL**—This old, young man, hailing from Sellers, Miss., contributed a good steady game at guard. He has size, experience and "uph" (Miss Wise please note) and will play a big part in next year's bid for the State Championship.

**PAT LADNER**—"On again, off again" Pat played a good brand of basketball, specializing in going around an opposing player for the "snow-bird." Freshman counted on for next year's team.

**LOUIS McKISSACK**—"Bird-Dog," Mac thrilled the lady fans with his famed one-hand "Blind Beggar" shot, a dizzy flip that scored points. Pivot play assured three more grey hairs for Coach Baxter's expanding collection.

**ROBERT SIMMONS**—"Bow-Dick" was another footballer who played a swell game at center. Soph. who "tank he bane go home."

**SAM BROWN**—"Sammie" surprised the critical with his nice floor play and his "Vanishing American" shot. Soph.—"Bye."

**MARVIN BELL**—"Ding-Dong" Bell was a living example of the managed manager. Freshman whose experience may enable him to find next year what he almost lost this one. (censored by A. S.)

**ORBAN MAGERS**—Magers was a hoop-ringing youngster who played a fast game at guard. Freshman who will again show his wares next year.

**JOE MALLARD**—Long, lanky Mallard stepped up to fill Dr. Baxter's prescription at one of the forward's posts. Excellent player still developing, he should ring many a hoop next season.

**FERREL LAWHON**—"Lawyer" was a "slick" forward who figured prominently in the season's successes. Has all the ear marks of a coming star. Watch him next year.

**LUTHER PATTON**—Pat was handicapped by illness which hampered his getting into condition. Was burning the nets late in the season. A star with a basketball future. Soph.

**VICTOR BROOM**—Vic was a shifty, fast guard who was handicapped only by his lack of stature. Specializing in excellent floor work and good ball handling. Soph. who says good-bye.
